Next meeting - January 26, 1973 - 8:30 p.m. Boston Public Library

The officers and Board of Directors met January 12, 1973, to develop a calendar of events for 1973. In order to complete the mowing schedule, please advise the officers which flying site you prefer to be assigned to, and also if you have a preference for a partner.

REMINDER! Do not forget to mention your membership in the Flying Knights of Hamburg, N.Y. Inc. Club #842 when you renew your A.M.A. membership.

* A mid-winter battery charge would be advisable to keep the nicads in good shape.

WANTED! Several ambitious young or old men to build Super Chipmunks with .15 C.I.D. engines for competition. If interested talk to Orv Chatwood.

WARNING! This will be the last newsletter to be mailed to anyone who has not paid his 1973 club dues.

The club still has about 20 gal. of fuel in stock. There is a possibility of contamination due to condensation in the drum. This should be put in 1 gallon cans as soon as possible. Buy a gallon now! If it is spoiled, the club must absorb the loss and pass it on to the members by increasing the cost of fuel next season, or by making up the difference from our general fund. Buy now and save 2 ways. Tom Stanes will handle the fuel next season.

Anyone planning on going to the Toledo R/C Conference, please contact Tom Stanes as soon as possible. 649-1934

It would be desirable to have the ages of all club members on file for any public relations work in which we may become involved to further the interests of the Flying Knights.

If you have any club news to be published in the future newsletters, call Norm ..Mathien. 649-2988
