WELCOME BACK

The club welcomes back president Ken Kirchner, after a long absence due to his involvement in a car accident over the summer. Ken has taken care of club business so efficiently that the club meetings had difficulty functioning while he was recuperating. We are all glad to have him back with us.

In view of the large scale of the static display at the Erie County Savings Bank, we ask members to respond by filling out and returning the attached card. The card can be mailed-brought, or delivered by bonded security messenger to a meeting. Member support is of the utmost importance in this display. Planes can be in any stage of construction (other than totaled or re-kitted) and arrangements can be made to get your planes to and from the bank if you cannot.
