## CLUB CHRISTMAS PARTY

We had one good evening, with the weather cooperating for a change, and a lot of members on hand for the festivities. As a matter of fact we had 43 members on hand, and quite a few of the wives also. Mo one that I know of went home hungry!! It seemed that there was an endless amount of Pizza, wings, and soft drinks. There were other goodies brought in by some members, cake, candy, etc. It was enough to make a weight watcher cringe!

Since no one complained I' ll say that a real good time was had all around, can't wait for next year.

# HAPPY NEW YEAR

**LAS VEGAS OUTING** Any club members and their wives wishing to go on an outing to Las Vegas to see a large quarter scale fly in during the day and doing the shows in the evenings should contact Jim Landes or Jerry Piscitello. You can reach them at home or at the next few meetings. The tentative date for the outing is sometime in October of 1993. Plans can be made for transportation once the exact number of people is determined and an itinerary is set up. Ladies don't have to attend the flying part of the day, they can shop till they drop or simply play the machines during the day. This sounds like a real good time, so think about it and see if it fits into your plans for this fall.

**HAMBURG SNO-FEST 1993** It's not too far off now, and it's the weekend following our next meeting. We will be serving hot coco, coffee, tea, and assorted doughnuts as in years past. We will be needing members to man the concession stand for the two day period, wives are also included if they wish to help out. We'll try and get a list of who can attend at the next regular meeting, so look up the dates on your new calendar and see if you can firm up some time to help out.

**50/50 winner**  
**Last meetings winner was our own Les Hanks, well done, and a good Job cleaning the good old coffee pot. Les took In \$16.00 -nice going Les**

**Auction Time Again, Chinese style, with those wild and crazy guys, the Northerns. Last years auction was a lot of laughs, and this years should be all that and more, so get your good junk and fun stuff together for February 26 and we'll see ya around the tables..**

**MORE AUCTION NEWS** Were going to try and have a little club auction after the meeting on February 5th, sell that old plane and engine to one of your buddies. Let him wreck it instead of you doing it yourself.
