

The Flying Knights

OF HAMBURG, NEW YORK INC.

We invite you to attend a club meeting

When you have the desire to learn and feel ready to make a commitment, please join our group.

Membership gives you:

1. Access to a large DVD video library which shows how you can build a model, how you can cover your airplane, types of engines, and flight demos.
2. Practice flying on a computer flight simulator before and after the meetings.
3. A list of flight instructors. However, it will be your job to make arrangements with instructors to get flying time.
4. Access to a private field to give you maximum flight time during instruction.
5. Access to people who can give good information on how you can build and repair airplanes.
